**To build a more  
progressive and inclusive  
school**

- Maximise curriculum time by reducing lesson disruption from school events
- Greater alignment of school events with curriculum goals to provide more opportunities for students to exhibit their knowledge and skills through projects, competitions and student publications.
- Lengthening the curriculum of CCAs to include more training opportunities to develop leadership skills
- Provide more internship opportunities for our students to provide practical working experience
- Enlarge and widen our community involvement programme to create greater empathy for the less fortunate people in the society
